Smart Classes for students in each class

Smart classes for kids are leading the evolution in the Indian education system. Students not only get engaged, but their productivity also increases manifold, leading to better results. Ever since the New Education Policy 2020 made inroads in the space, many old practices took a back seat. Not only curriculum revamp happened, but technology upgrade also upsurged in schools to make learning exciting and engaging. That is why smart classes are being installed in every classroom for the students.

Library and Laboratories

The library is standing invitation for the students to read books, newspapers, and magazines. It is storehouse of nearly 4895 books of all kinds and on all subjects.

We have Mathematics Laboratory, well equipped Science Laboratories in Physics, Chemistry, Biology and a Computer Lab with 60 computers.

Playground

Sports is being enthusiastically persuaded at St. Joseph's Convent School, TFRI. We have our own huge stadium where we conduct our school's sports events which includes activities like basketball, volleyball, badminton, table tennis, hand ball, throw ball, athletic (track and field) aerobics, martial art under modern games and Yoga, Kho-kho and Kabbadi under traditional games.

Multipurpose Hall

Nowadays, education is not just confined to imparting academic knowledge to the students. However, it is more about holistic development. We have an open stage where we conduct various cultural programmes.

Fire Extinguishers & CCTV Surveillance

We have sufficient number of fire extinguishers on each floor, staircase, and in the laboratories to be prepared for any accidental fire breakout. The entire school compound and classrooms are under CCTV surveillance.

Safe Drinking water

In our school we have water purifiers and water coolers which cater to the need of cold drinking water to the students.

Toilets

Our school has enough number of washrooms to suit the ratio of students on every floor with adequate supply of water. The maintenance of cleanliness is taken care of thoroughly.

Medical room/ Sick Bay

We have a medical room for students where first aid is given and immediate medical attention is given to the students.
